

FAST FACTS:

Date: 20-22 October 2017

Arrive from: 1pm Friday 20th (Qld time)

Location: Hosanna Farmstay Lot 4 Tunnel Rd, Stokers Siding, NSW (about 10 mins past Murwillumbah) www.hosannafarmstay

Cost: (See Note 1 below)

\$100 adults

\$180 couples

\$210 families

Non-refundable deposit (see Note 2 below)

\$50 adults

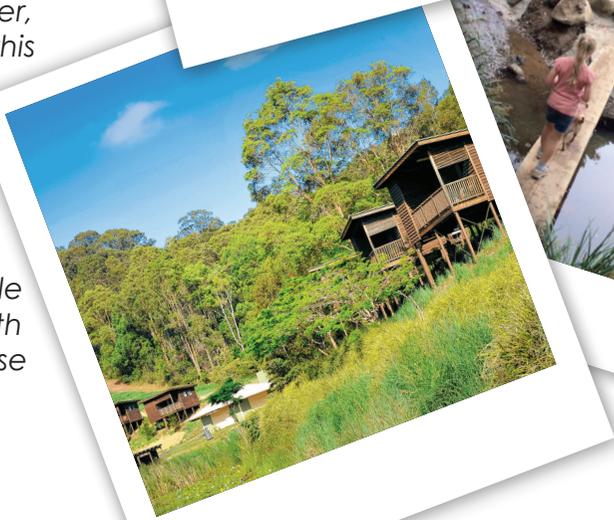

\$80 couples

\$100 families

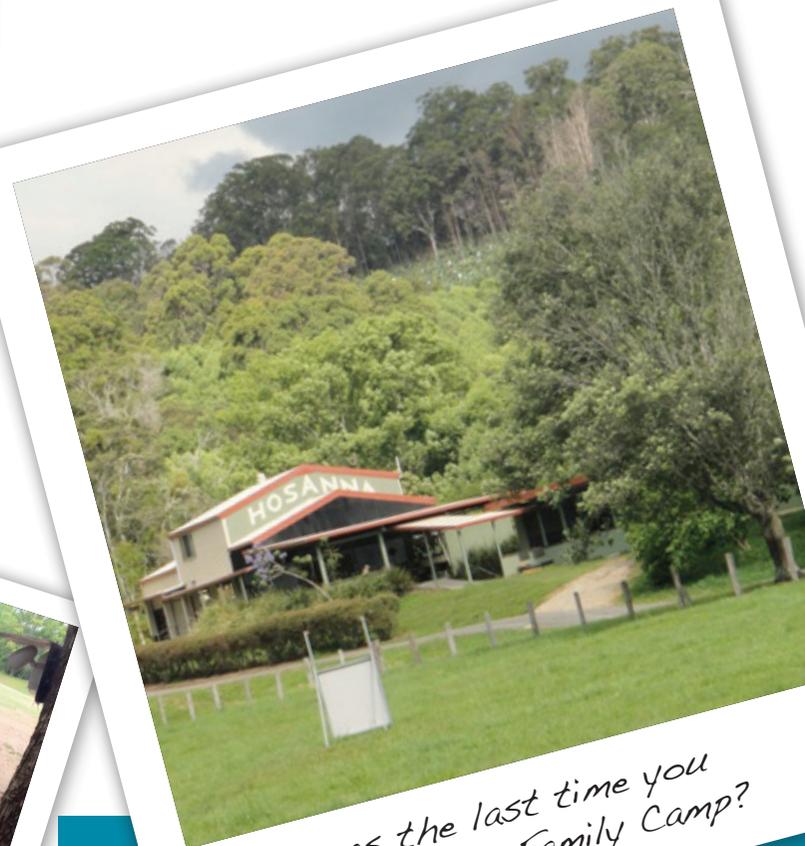

Camp Costs: Camp fees will cover the cost of the venue and its facilities, all your food, accommodation, and the great time we'll have together.

Note 1: The cost of the venue is a fixed cost (not calculated per person). To cover this cost we have had to split it between an estimated number of folk coming. However, the more people who come, the smaller this 'share' will be, so it is possible we may be able to run the camp at a lower cost than what is listed above; in which case we will sort something out with the excess funds (we promise not to go on a cruise).

Note 2: We are asking for a non-refundable deposit to enable us to plan this camp with a minimum of uncertainty, and to purchase food with confidence.

Beenleigh Baptist 2017 CHURCH FAMILY CAMP AT HOSANNA!

When was the last time you went on a church Family Camp?

It's been too long, since the last one, hasn't it? And yet church family camps are a real blessing and loads of fun for young and old. Some of our fondest memories are rooted in church camps!

Well, we are excited to offer you a Church Family Camp for October 2017. To keep costs down, we have selected a DIY venue, where we can have the whole place to ourselves, cater our own meals and organise our own activities and program.

Our venue is Hosanna Farmstay, a campground attached to a working farm. There are loads of animals to pet, daily milking of a cow (come and

have a try) and daily animal feeding. Open fireplaces are provided and a spring-fed dam has a 3m diving board option for the brave, and a pile of watercraft (kayaks, inner tubes) for everyone.

There is a meeting hall, which we hope will be far too small for our group, but which would be ideal for a quiet café-styled conversation and game space. We will erect a marquee for general meeting purposes, and extend the dining area for meals together. With plenty

of free time in the schedule, we look forward to being together with you! Hope you can come.

NEXT STEP:

Please check your email for a link to online registration. If online registration is not possible for you, please use the enclosed registration form and place it in the church offering bag during the service. Please register and pay your deposit by 3rd September, to assist us with planning and organising the camp.

ACCOMMODATION:

Hosanna Farmstay has 6 ensuite cabins and 8 huts which each sleep 4 people, and have power. There are also more than 45 camp sites (for tents or vans), of which 10 are powered. As we will provide all meals, bathroom amenities are available, and tea/coffee facilities will be available 24 hrs/day, we believe that most people will not need power except for lighting. A torch will be essential. For those who need power for medical or other special needs, or who need proximity

to a toilet at nights, please note this with your registration. Accommodation will be the hardest part of the camp to organise, so we ask for your goodwill as we try to allocate the various options among those who have preference or need for particular types. To assist us,

the registration form asks you to rank your preferences from 1-4 between cabin, hut, powered and unpowered sites. If you absolutely require a hotel-style bed, please tick the 'off-site' option, and we will see if we can negotiate a group booking with a local hotel.
