

Beenleigh

BAPTIST CHURCH

The Pastors, Elders and Deacons of BDBC are committed to providing a safe church culture through our church, through constant communication and reinforcing our commitments at all levels of our church's life and ministry.

Our Church acknowledges Australian Baptist Ministries' adopting of the Ten Nationally Agreed Standards for Child Safe Organisations and in keeping with this commitment; we have developed our own Policy on Child Safety – Church Policy number CP-04.

We have appointed a Child Safety Co-ordinator who is responsible for screening and selection; support training, responding to reports of harm or disclosure and ensuring all Ministry Leaders are supported in their role.
